Standing: Coach Millard, R. Blue, B. Williams, F. Ramberg, Manager; D. McEwen, J. Miller, D. Bittle.

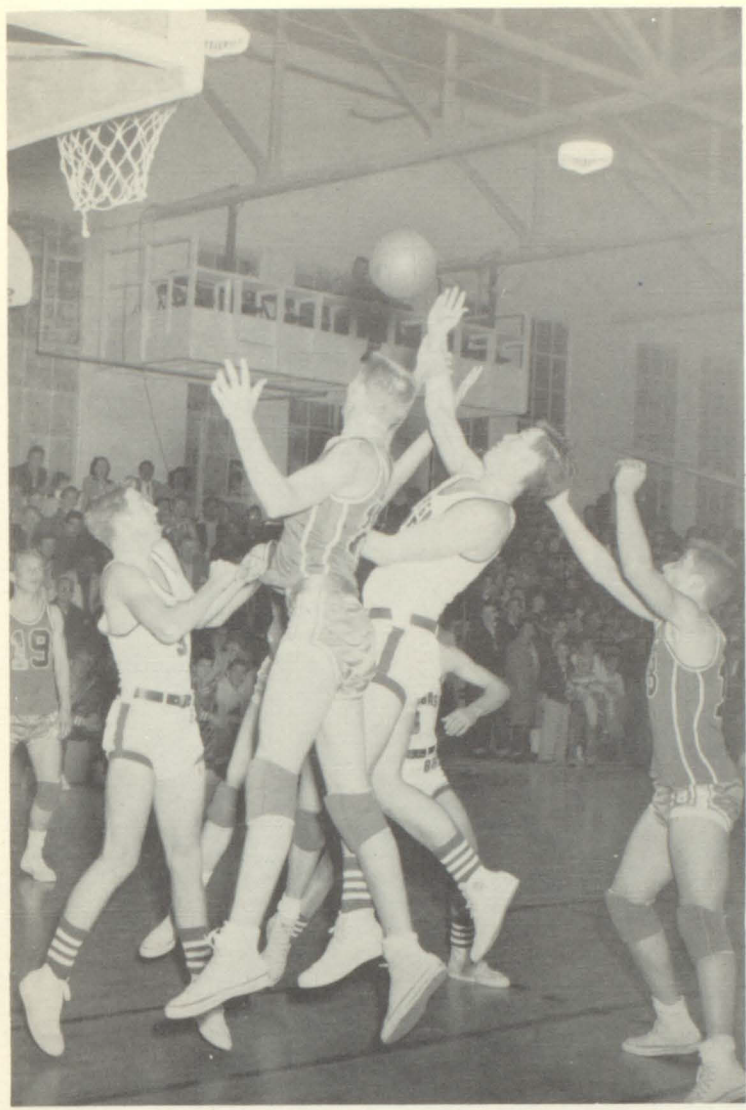

With only two returning lettermen, this year's varsity and junior varsity basketball teams were very short on experience but very long on spirit, as they demonstrated in all their games. The future looks very bright for Basic High School's basketball teams as most of this year's squads were underclassmen with two to three seasons of eligibility remaining.

Coach Gene McDowell, in his first season of coaching at Basic High School, has started a very successful building program and is deeply admired by his athletes as well as the rest of the student body.

CHEERLEADERS IN ACTION

RAMONA PIPES

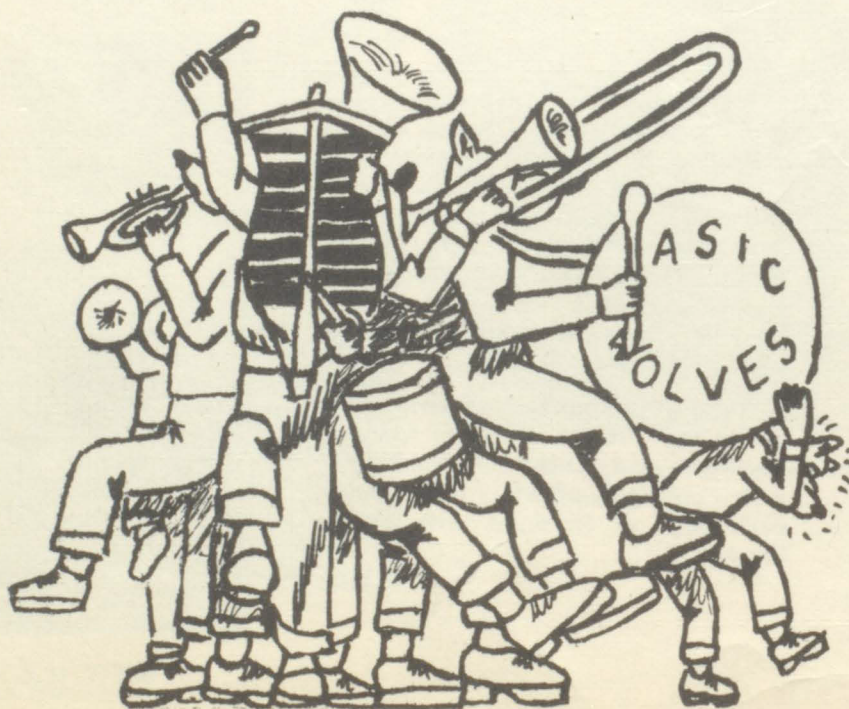

Just as important to the success of athletics as actual participation, are the enthusing, spirit-promoting yells from the grandstands. Without the leadership and wonderful school spirit of the Basic High Cheerleaders of 1951-52, Virginia Gorin, Head Cheerleader; Ramona Pipes, Jody Galloway and Betty Hostetler, the athletic season could not have been so profitable.

These girls were elected early in the school year from a group of fourteen applicants and carried out their duties with untiring efforts, representing Basic High at all times with utmost finesse.

BETTY HOSTETLER

ACTIVITIES

SENIOR BALL

The Senior Class climaxed its four years at Basic High by holding the final social event of the school year.

Charming Jane Lottridge reigned over the dance in the beautiful setting of "*Rhapsody in Blue*" attended by Joayne Sayer, Peggy Jeffrey, Virginia Gorin and Janette Anderson. The decorations were changing shades of blue with silver musical notes scattered through the gym.

JUNIOR PROM

The class of 1953 held its Junior Prom April 19. The couples danced in a setting of "Oriental Gardens," decorated in brilliant colors of Chinese red, black, and gold.

Joayne Sayer reigned as Queen over the gala affair with Jane Belger, Louise Autry, Phyllis Ware and Helen Riggins as her four lovely attendants.

HOMECOMING

Pretty Romaine Prince was elected unanimously as "Homecoming Queen of 1951" by the Basic High School Football team. As her attendants, Janette Anderson, Jane Lottridge, Nancy Dill and Beverly Porto were chosen.

The halftime ceremonies of the Basic vs. 'Vegas football game found these five petite girls driven onto the field in a sleek black convertible by a former player, Wayne Edison.

After circling the field, the Queen and her attendants were escorted to the throne by Gerald Kizzia, Student Body President and Everette Witt, Senior Class President of the Basic High School. Here the Queen was crowned and situated throughout the remainder of the game, for all to see.

Left to right: Beverly Porto, Nancy Dill, Gerald Kizzia, Romaine Prince, Everitt Witt, Janette Anderson, Jane Lottridge.

ESCORTING QUEEN TO THRONE

JUNIOR CARNIVAL

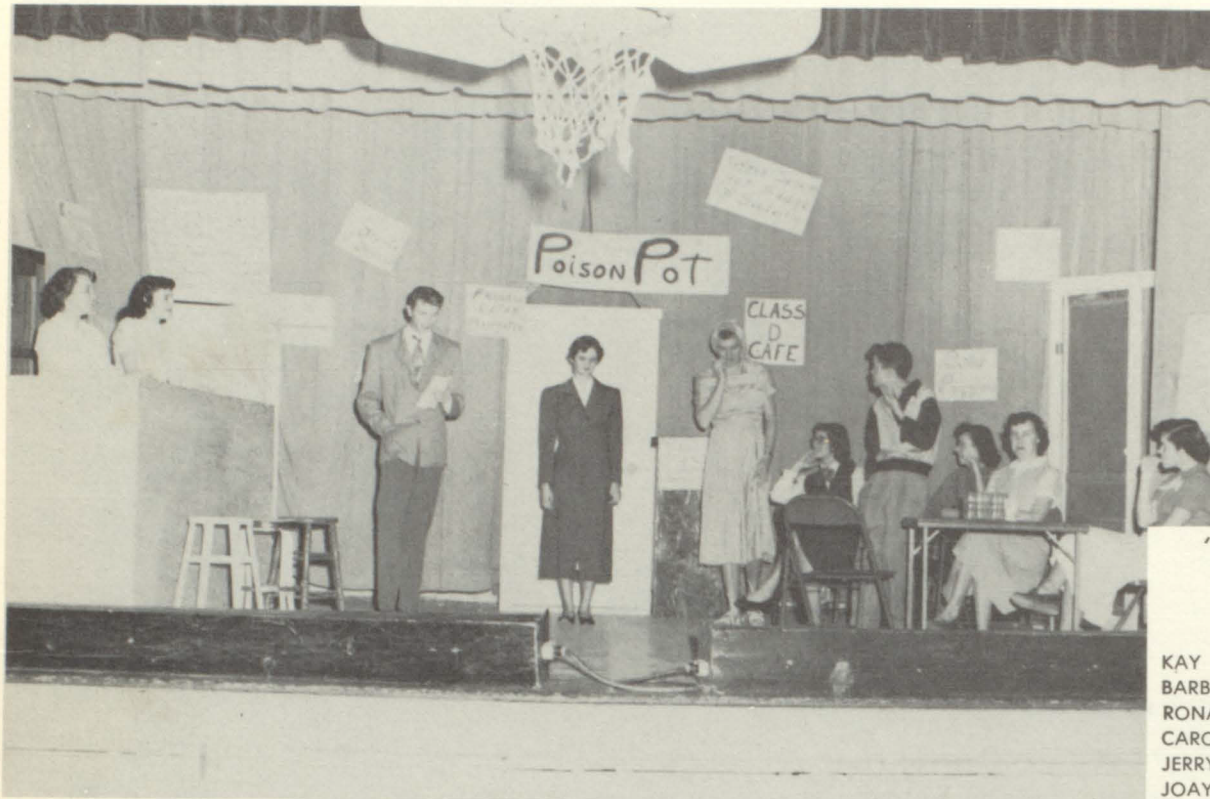

QUEEN BARBARA JONES and KING EARL RHOADS

The Junior Carnival has now been entered on the books at Basic High as traditional evening of frolic and fun. Each class rents from the Junior Class space in the gymnasium for booths and concessions, and the basketball floor takes on a festal air for the occasion. The Carnival has become an outstanding money-raising project for the Juniors. The high spot of the evening of gaiety is the election of a carnival King and Queen, elected by those present. This year the two popular young people were Barbara Jones and Earl Rhoads.

Typical of the concessions for the evening were the Penny Pitch, Cake Walk, Basketball Throw, Voting Booth of the Juniors; the Dart Throw of the Freshmen; the Floor Show and Wheel of Fortune of the Sophomores; the Dance in the Circus Room of the Seniors; the Fortune Telling Booth of the FHA and the selling of candy, candied apples and popcorn. To enliven the contests, prizes were awarded.

DON WARREN

After each football season the players and coaches of all the Tri-State League schools elect a Tri-State football team. Boys from Basic High School who received berths on the mythical eleven this year were Bob Miller, FB; Don Bittle, T; and Don Warren, G.

Boys who received honorable mention were George Hargrave, C; and Bud Colston, E; Don Fields, G; and Teddy Blue, B.

The annual staff extends its congratulations to these boys.

NEVADA GIRLS' AND BOYS' STATE

Delegates chosen to attend Nevada Girls' State, 1951, were Kay Crawford, Jody Galloway, Annette Foster. The girls were chosen for their leadership, sportsmanship, and co-operation.

Delegates chosen to attend Boys' State, 1951, were Everett Witt, Gerald Kizzia, and Teddy Blue. These boys were also chosen for their outstanding contributions to the school.

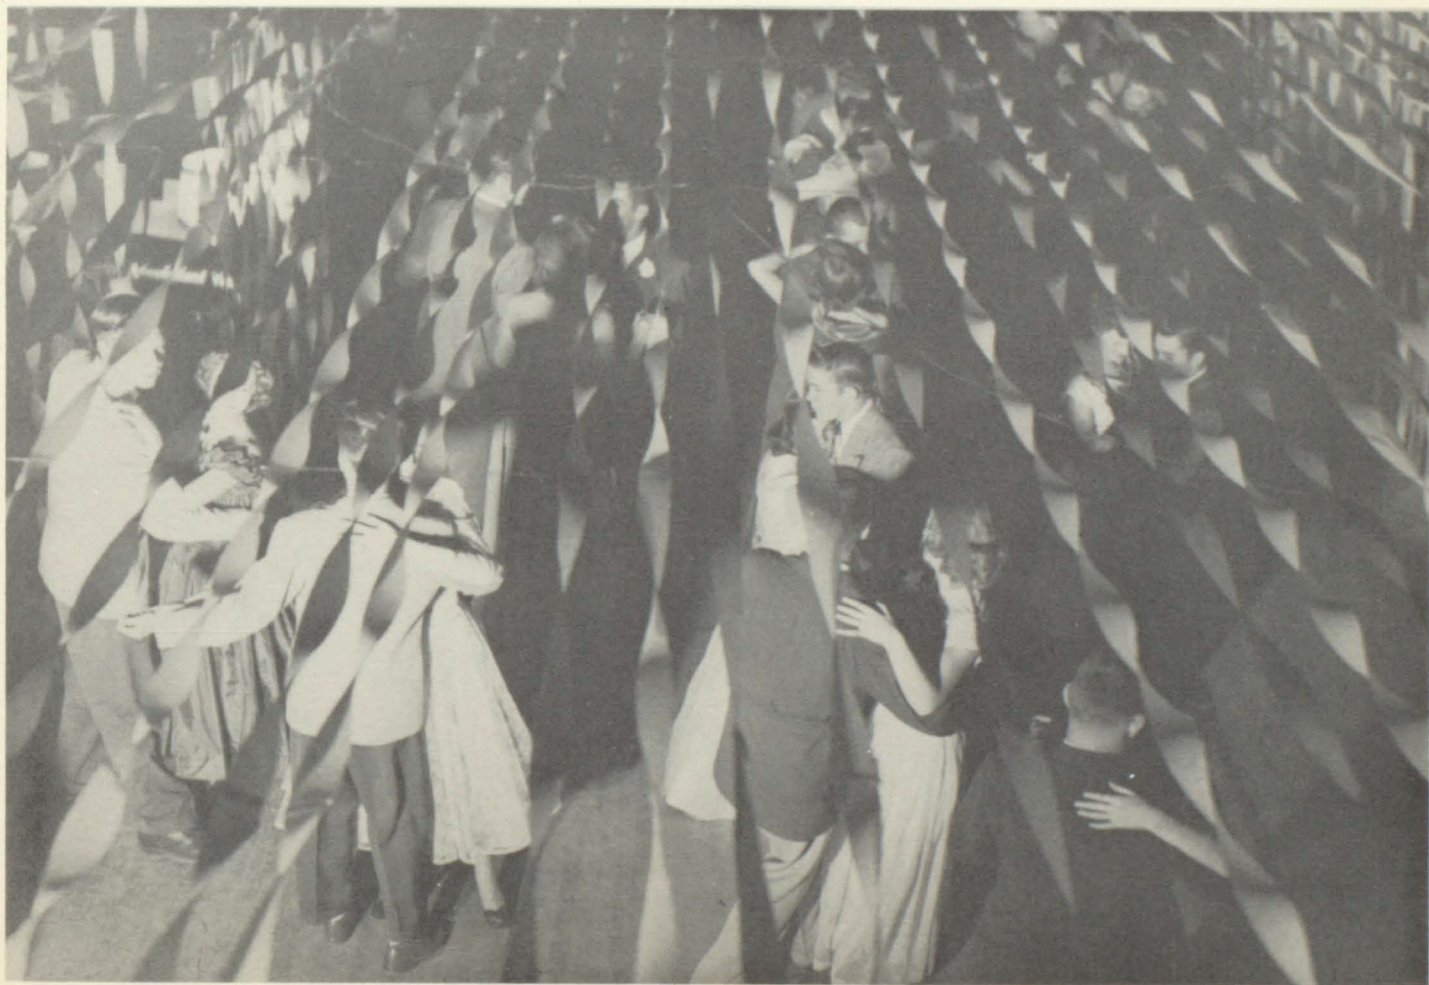

Gerald Kizzia was also chosen to attend Boys' Nation in Washington D. C.

SOPHOMORE REVERSE

The eve of November 17 saw the Basic High gym converted overnight into a beautiful setting for the theme Deep Purple. Tommy Nelson's orchestra played for the distinguished looking guests from a delightful bower in the center of the room while overhead lights cast soft shadows through the lavender and purple covered ceiling.

This formal dance started the 1951-52 social season in brilliant style.

SENIOR CLASS PROPHECY

After carefully psychoanalyzing each member of the 1952 Senior Class, we geniuses have compiled and edited our information and ventured forth with this prophecy.

We prophesy that in the year 2003 A.A.B. (After Atom Bomb):

BOB MILLER will be taking pictures of beautiful girls at Miami Beach—if he doesn't allow business to mix with pleasure; JODY GALLOWAY will be playing saxophone in Phil Spitalny's all girl orchestra—when she isn't playing pro-football; EVERETT WITT will be working on a formula for cheaper and more abundant alcohol—when he isn't chasing girls; VIRGINIA GORIN will be starring in an opera at the "Met" with casts on both legs; BOB HERMAN will still be going with Pat Rust and pulling drowning old ladies out of Lack Mead as Chief Life Guard.

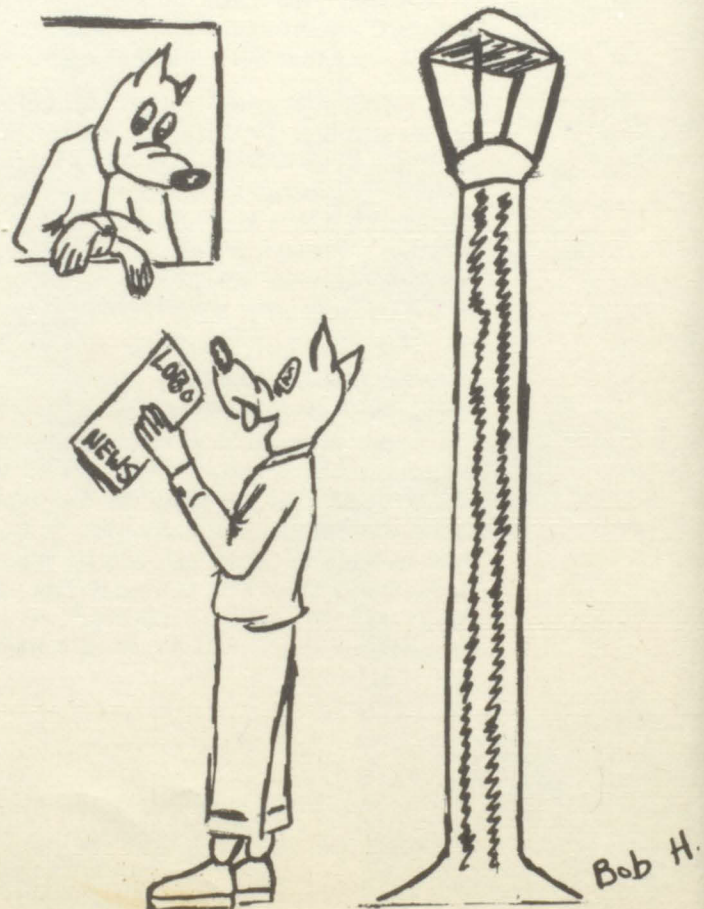

ROMAINE PRINCE will be running her dad's barber shop; ANNETTE FOSTER will be Nevada's first lady senator; KAY CRAWFORD will be a test driver for General Motors; JANET CHILDS will be a used car dealer using the name of "Cheerful Childs"; BILL EDISON will be a mechanic for a kiddie car company; CAROL DAVIDSON will be in the movies playing haughty old school teachers; DON RICHARDSON will be writing a series of books on "The Air Force and How to Avoid it"; BUD COLSTON will be a Naval Officer in charge of public relations for the Waves.

LARRY HOLLINGSWORTH and RONNIE HAMBLIN will still be trying to graduate from Basic High School; EARL RHOADS will be inventing an automobile battery which will never run down; PETE LULICH will be secretary to the President of the U. S. A. (Universal Shepherders Association); RAMONA PIPES will be popping popcorn at the Victory Theatre; GAIL SMITH will be the "Smith" in Miller-Haynes-Smith; PAT RUST will be teaching a course in "The Proper and Practical Ways of Walking" for some famous women's charm school; JIM WALKER will be the Maitre D' of the Hotel Flamingo; DICK HUFFMAN will be a wine taster (he's one of the kind that isn't satisfied doing anything except something he loves).

KAY GOODALE and PHYLLIS WALKER will be raising little Jimmys and Theodores (respectively); SHIRLEY MORGAN will be editor of Henderson's first full-size newspaper; DORTHY LAUB will own her own laundry—"Laub's Laundry"; LOUETTA SPARKS will be an instructor in a flying school; BARBARA DOOLEY will be principal of the Las Vegas High School (as predicted by Swami Galloway); ROY KLINGER will be a foreign diplomat; JOAYNE SAYER and SHIRLEY BELGER will be world famous for their completely original and inimicable laughs and giggles; DICK McEWEN will be a door-to-door salesman handling church keys and bicarbonate of soda.

WAYNE EDSION will be a recording and TV singing star with his definitely novel voice; DICK BAUMAN will be a professional wrestler; TED BLUE will be living in Las Vegas and working at Nellis Air Force Base; ARVAN LEANY will be a traffic officer in Los Angeles; PEG JEFFRY will be a cigarette girl at the Thunderbird Hotel; JEAN SLAVIN will be the typical preacher's wife; JANETTE ANDERSON will be a lobbyist in Washington D. C.; BONNIE JENKINS will be a second Sophie Tucker; KIRSTEN HORMEL will be teaching Spanish at Basic High School; MARCH-BANKS and MARLENE LOWENSTEIN will both be contented American housewives; JERRY KIZZIA will be a buck private in the National Guard and retire to become President of the United States of America.

Seems like the time to wish you young folks godspeed on your educational journey comes oftener than it used to. Must be that life's speeding up and we're getting older. Certainly looks that way when you take a look at Las Vegas today and then remember what it was 10 years ago. Probably no place on earth has built up and gotten to be an established community in such a hurry. Nevada is still a land of opportunity — we're proving it every day. Keep this in mind as you plan your life ahead. Meanwhile, best wishes to the class of 1952. Hope we'll be seeing you around for a long time to come.
